

**AMENDMENTS TO THE DRAWINGS:**

The attached replacement sheets of drawings include Figs. 1-5, 5a, and 6-8. The replacement sheets include a new figure, fig. 5a. As discussed in more detail in the Remarks section of this paper, Applicants submitted a similar new drawing in the parent application in response to the Examiner's objection to the drawings. In fig. 5a, an embodiment of the present invention is shown where the locking element (14) is configured as an I-profile.
